Practice Equipment (Home Use)

- You need a good practice pad or snare drum.
- You need some type of keyboard practice instrument. We strongly recommend at least a 3-octave padouk practice marimba or xylophone. Some of our students prefer to upgrade a full-sized performance instrument, such as the Adams MSPA-43 Padouk Wood 4.3 Octave Full Marimba. Contact Mr. Tucker if you are interested in this kind of option.
- You must have a good metronome with subdivision.
